

“Is there a Problem in our Family or Congregation?”

Take a moment to take this *private and confidential* self-administered interview. No one but you will see your answers, so be totally honest. Simply indicate “yes” or “no” to each question:

Y / N Does someone in your family undergo personality changes when s/he drinks or takes drugs?

Y / N Do you feel that drinking/drugging use is more important to this person than you are?

Y / N Has excessive drinking/drug use ruined special occasions?

Y / N Do you find yourself covering up for the consequences of someone else’s drinking/drug use?

Y / N Have you ever tried to control the amount consumed by the drinker/drug user by joining in the drinking/drug use?

Y / N Is your family having financial or legal difficulties due to drinking/drug use?

Y / N Have you ever tried to control the drinker/drug user’s behavior by hiding the car keys, pouring the liquor down the drain, throwing out the drugs, etc.?

Y / N Do you find yourself doing things that are out of character for you?
